31st August 2019

TO ALL PUPILS AND PARENTS

Information Regarding the Combined SMMC Centres Rehearsal Days on 7th and 21st September 2019
(in preparation for the annual Town Hall concert on Sunday 22nd September.)

All pupils in our Dunedin Centres will meet at **Bathgate Park School (213 Macandrew Road)** on Saturday **7th and 21st September** to rehearse for the Annual Demonstration Concert to be held in the Dunedin Town Hall on the afternoon of Sunday 22nd September. The Combined rehearsals are being held at Bathgate Park School because George St Normal School has a fair on the 21st September.

Please read details of time and room for each group on the reverse of this notice.

What is happening in September?

7th: Combined rehearsal at Bathgate Park School.

14th: Classes as normal

21st: Combined rehearsal at Bathgate Park School.

22nd: The annual concert takes place in the Town Hall beginning at 3pm. (A further notice will give details of this nearer the time.)

The concert concludes Term Three. **Term Four begins on Saturday, October 19th.** (October 26 is Labour Weekend and there are no classes.) Mid-week classes start back on their first day of Term 4.

ADMISSION TO CONCERT:

We invite all parents and families of performing children to attend the concert. Because the Town Hall has kindly offered to us free of charge, there is no admission fee. However, donations will be most gratefully accepted on entry to defray expenses associated with the concert. Programmes will be available to purchase.

Request:

We ask that pupils please respect the property of Bathgate Park School during the rehearsal morning. It is a privilege to be able to use their classrooms and spaces. We are grateful for the co-operation and assistance of parents in the supervision of this.
